

Current Semi-Private Classes

Boomer Bootcamp Blast -

Challenge your current fitness level through fun/energizing movements, via free weights, BOSU and stability balls and step benches. Each exercise is modified/alterd to work each class participant's health/fitness level. The hour will breeze by leaving you feeling accomplished & strong, while burning an incredible amount of calories. Suitable for most fitness levels.

Dynamic Pilates - Body/Mind focus on movement and body form, to perfect your balance of energy and control. Core strengthening & muscle lengthening provide benefits such as decreased lower back, hip & knee pain, along with improved posture. Suitable for all fitness levels.

Flexibility/Strength Fusion - Via flex bands, free weights & stability balls, exercise emphasis is on "effective form" while building muscle strength and increasing overall body balance and flexibility. Results include enhanced overall body strength, increased endurance, and greater bone density. Suitable for all fitness levels.

Strength Training Pilates - While the focus is on specific Pilates movements, free weights, BOSU & stability balls and flex bands move you through this full-body muscular strengthening class. CORE stability and enhanced upper body and leg strength/flexibility are benefits, which aid in the prevention of neck and back pain. Suitable for all fitness levels.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

					Class schedule subject to change

Baby Boomer Fitness Solutions (BBFS) offers private sessions, as well as 10 semi-private classes for adults of every age, every fitness level, and every busy schedule. BBFS specializes in creating/modifying exercise routines, even in class situations, that create a feeling of success for each participant. Since the class size is limited to a small number of participants, everyone is guaranteed individual attention during their workout. Each class focuses on Strength Development, Flexibility Enhancement, and Core Strengthening, to create higher levels of fitness and injury prevention.
